\*A Special Order application can be completed and submitted online at [www.highways.gov.uk/esdal](http://www.highways.gov.uk/esdal). Either wise, a [Special Order form BE16](#) can be downloaded from the Highways Agency website and e-mailed, faxed or posted to the address below. Approval is not automatic and is at the discretion of the Highways Agency Abnormal Loads Team acting on behalf of the Secretary of State for Transport. To ensure that the necessary clearances can be obtained in good time from the Police, Highway and Bridge Authorities, you should request permission for the move by returning the completed form 10 weeks prior to the scheduled date of the move. In fact you cannot apply too early and we invite manufacturers or hauliers to contact us at pre tender stage, before making a financial commitment to supply the load, to check whether permission would be granted.

\*\* [Application form VR1](#) can be downloaded from this site but must not be e-mailed or faxed because the VR1 form is a legal document and so we must receive the original. To ensure that the necessary formalities can be completed in good time, you should request permission for the move by posting the completed form 2 weeks prior to the date of the scheduled move. Again, you cannot apply too early and we invite manufacturers or hauliers to contact us at pre tender stage, before making a financial commitment to supply the load, to check whether permission would be granted.
